

**DUE DATE:**

Your bill will be due approximately the same date each month. Failure to receive your bill will not extend your time for payment or excuse a late penalty.

**SERVICE CHARGE: Chickasaw Electric does not collect money from members outside the office.**

- \$20 For each trip made to remind customer-member of delinquent bills
- \$45 For New Account Setup
- \$60 For Reconnect and Same day service.

**LEVELIZED BILLING:**

Levelized billing is a great way to avoid seasonal high bills or for someone on a budget. This method uses your most recent 12 months billing history, plus or minus the previous month's balance, and divides this amount by 12 to arrive at a levelized bill. Levelized billing on your account will take effect only in the fall and spring during the year.
