

Are we trimming trees in your area?

The current work area is the Canadaville Loop, Highway 196 south of Highway 64, Seward Road, Clay Pond Drive, and Highway 193 north and south of Highway 196.

We will also have a maintenance crew trimming/clearing the right-of-way throughout our service area daily, in addition to the two-cycle trim crews that are primarily assigned to one specific area.

Please call our Right-of-Way Foreman,
Jerry Russell, at 901-465-3591 ext. 500 or
e-mail jrussell@chickasaw.coop if you have any questions.
